March 2012 Newsletter

LET'S WELCOME OUR NEW NEIGHBORS!

Hello! My name is Mike Plumley. Karen and I are long time residents of the metro area. We were looking for a quiet place to live and are thrilled about finding Country Club Manor! Karen and I love the outdoors and enjoy too many activities to list here. We've met lots of nice people here and are enjoying the wonderful amenities!

The Hoist Universal Gym in the pool area belongs to me but feel free to use it as much as you like. I'm

sure some of you will find this machine a useful and safe tool to keep in shape. You'll find an exercise chart on the wall that is pretty self explanatory, but if you have questions about the gym or would like me to come down and demonstrate its many features you can call me. I'm usually available on Sunday evenings. You can call me at 651-341-1936 or if you prefer send me an e-mail at plums123@msn.com. We're looking forward to meeting all of you in due course!

LET'S WELCOME OUR NEW NEIGHBORS!

My name is Karen Kelley. I will be joined shortly by my mother Joan Kelley, who is in Palm Springs, California enjoying the warm weather. I grew up in the Midway area of Saint Paul. I worked for 12 years at Brown & Bigelow and two years

at HM Smyth. I moved to Sturgeon Lake in 1992. I worked for Mercy Hospital and Health Care Center for 13 years. I moved back to Saint Paul to care for my in-laws in their home. I have a son and daughter and new baby granddaughter. We love the pool! Everyone I've met in the hallways and at the pool have been so friendly. I look forward to joining in on the fun gatherings that are planned each month.

FROM TERESE'S DESK

***Happy St. Patty's Day to all &
Happy 2nd Birthday to our
granddaughter Samantha!***

Hopefully, by this time next month, our second grandchild (grandson) has arrived. I wonder if we are going to have 'two' St. Patty's Day babies?!?

Reminders: Since we’ve had very little snow so far this winter, but the weather has taken a turn ... I thought it would be a good time to remind all our residents of the parking policies when it snows. If we have an accumulation of more than 2 inches and your vehicle is parked in the front of either building, please move your vehicle to the far east or west end lot for the snow plow. If you are not sure, please call me in the office for clarification.

We have asked for your consideration and cooperation regarding the morning ‘start’ times of the laundry rooms. Our cleaning staff must mop all three laundry room floors and clean the machines. If you are doing your laundry before 8:00am, the machines and floors do not get cleaned. Please, let’s all work together and stick to the 8:00am start time.

Management is aware that some of the CCM decorations are being removed from our common areas. These items are placed in the lobbies, hallways on each floor and Club Room for everyone’s pleasure and enjoyment. We have volunteers that work very hard to keep CCM ‘beautified’! Please do not move or remove any decorations without management’s consent.

Our thoughts and prayers go out to Richard Sandstrom who suffered the passing of his brother this past month.

Our deepest sympathies and prayers go out to Steve & Michelle Hall, as they mourn the loss of their unborn nephew.

Until next month..... *Terese*

NOTES FROM OUR "SOCIAL DIRECTOR"

Hello all. Happy Spring! We had a good crowd for the casino trip. Our trip for this month is to Treasure Island on Thursday, March 8th. See signs posted on the lobby bulletin boards for details.

The monthly potluck (Italian) was a success. The food was outstanding. The potluck for this month is on Monday, March 26th at 5:30pm in the Club Room. The country theme for March is India. Again, watch for signs posted on the lobby bulletin boards for details.

The St. Patrick's Day Brunch will be on Saturday, March 17th at 11:30am in the Club Room. There will be corned beef & cabbage, Irish soda bread, juice, and coffee. We will also have prizes and music. Wear your green if you wish and please bring a dish to share.

We would like to invite all residents to join us in our monthly functions. If you are new please come and see what it's like. Everything is free except the casino trip. Let's see if we can get a really 'BIG' crowd!! You know what they say, "the more the merrier!" We would like to say thanks again to all who do join us. Kevin and I really appreciate your participation.

That's all for this month. Take care.

Love *Kevin + Kathy E.*

A MESSAGE FROM MARY

Happy St. Patrick's Day to everyone, even the non Irish. I trust you all had a very nice Valentine's Day.

I am writing this from Las Vegas because Lee wanted to come out for his 17th birthday. I told him that now that he was 17, I expected him to get a job. So, I hope this will be one teenager that will be able to get a job soon. Ha Ha Ha!

I heard from my folks and they will be returning back here to MN on April 17th and they send their 'Hello's' to everyone. I just hope we are over with winter by the time they come back. We have had such a mild winter so far; that I hope we don't have winter til the end of March or April.

It's been cold and the heating bills have been very high. I would like to ask everyone to turn your heat down if you get warm and have to open a window. I hate to think of all the heat being lost right out the window!!

As I walk through the halls, I've noticed some of the rugs or mats by your apartment doors are not being moved and the carpet underneath is not being vacuumed. Please remember to clean the hall area by your apartment door if you have a mat. I do not expect the cleaning staff to pickup each one and clean around and under all of them.

Until next month, God Bless and have a great month,

Mary
